Monografía

Gathering an immense amount of information into a single volume, MVRDV's Agendas on Urbanism lends an inside look at how this research-driven Dutch practice engages globally to supply innovative solutions to today's architectural and urban issues. Opening with a preface by Winy Maas entitled Where is Urbanism, this dense monograph then proceeds to give detailed overviews of more than 45 masterplans developed for various cities and municipalities located throughout the world. Includes a critical essay by Jeroen Zuidgeest as well as biographical information on MVRDV founders Winy Maas, Jacob van Rijs and Nathalie de Vries
