

The primer of humor research

[

Raskin, Victor (1944-)

Mouton de Gruyter, c2008

Monografía

The book provides a definitive view of the field of humor research for both beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge. Each chapter of the book is devoted to an important aspect of humor research or to a disciplinary approach to the field, and each is written by the leading expert or emerging scholar in that area
