Título: A continental plate boundary Recurs electrònic] tectonics at South Island, New Zealand David Okaya, Tim Stern, Fred Davey, editors

Editorial: Washington, DC American Geophysical Union c2007

Descripción física: viii, 369 p. ill. (some col.), maps (some col.)

Tipo Audiovisual: Continental margins New Zealand South Island Plate tectonics New Zealand South Island

Mención de serie: Geophysical monograph series 175

Bibliografía: Includes bibliographical references

ISBN: 0875904408 9780875904405 9781118672471 ebook)

Autores: Davey, Frederick J. Okaya, David Akiharu Stern, Timothy A.

Entidades: ebrary, Inc

Punto acceso adicional serie-Título: Geophysical monograph series no. 175 E-libro
