

Horace, the Odes : new translations by contemporary poets /

Horacio Flaco, Quinto (0065-0008 a.J.C.)

Princeton University Press, 2002

Monografía

Now for the first time, leading poets from America, England, and Ireland have collaborated to bring all 103 odes into English in a series of new translations that dazzle as poems while also illuminating the imagination of one of literary history's towering figures. The thirty-five contemporary poets assembled in this outstanding volume include nine winners of the Pulitzer prize for poetry as well as four former Poet Laureates. Their translations, while faithful to the Latin, elegantly dramatize how the poets, each in his or her own way, have engaged Horace in a spirited encounter across time
