Monografía

Known as France's Ninth Art, the bande dessinée has a status far surpassing that of the equivalent English-language comic strip. This publication, one of the first predominantly in English on the subject, provides a thorough introduction to questions of BD history, context and bibliography. Theoretical issues - including the reception of the early proto-BD prior to its modern definition, approaches to the construction of a BD (presented here in BD form by leading artist Tanitoc), semiology and the reading of the current form, or the specificity of the French/US (non)overlap - complement histor
