Título: Aperture Antennas for Millimeter and Sub-Millimeter Wave Applications [Recurso electrónico] edited by Artem Boriskin, Ronan Sauleau

Editorial: Cham Springer International Publishing Imprint: Springer 2018

Descripción física: X, 490 p. 323 il., 218 il. col

Mención de serie: Signals and Communication Technology 1860-4862

Detalles del sistema: Modo de acceso: world wide web

Fuente de adquisición directa: Springer (e-Books)

ISBN: 9783319627731 9783319627724

Autores: Boriskin, Artem., ed. lit Sauleau, Ronan., ed. lit

Punto acceso adicional serie-Título: Engineering (Springer Books)
