Straightforward advice on building and launching a mobile marketing plan Mobile communication is hot, and so is marketing on mobile devices. Mobile Marketing For Dummies provides a clear and easy path for creating, launching, and making the most of a mobile marketing program. Designed for marketing professionals and other business people who may have little experience with the medium, it explains mobile marketing and how to convert a traditional marketing plan to mobile. Topics include assembling resources and budget, creating a plan, following best practices, building mobile s
