Office of the Director of National Intelligence, Office of General Counsel :

For sale by the Superintendent of Documents, U.S. Government Printing Office,  
[2012]

Statutes and codes.

Statutes and codes.

Monografía

From the Book's Introduction: "We have expanded and updated the Reference Book to reflect legal developments since the previous edition was published in 2009 and in response to comment received from the intelligence community to that edition ... The Intelligence Community draws much of its authority and guidance from the body of law contained in this collection. We hope this proves to be a useful resource to professionals across the federal government."--Page iii
