Título: Numerical studies of incompressible viscous flow in a driven cavity by the staff of Langley Research Center

Editorial: Washington Scientific and Technical Information Office, National Aeronautics and Space
Administration Springfield, Va. For sale by the National Technical Information Service 1975

Descripción física: 1 online resource (v, 132 pages) illustrations

Mención de serie: NASA SP 378

Bibliografía: Includes bibliographical references

Restricciones de acceso: Use copy. Restrictions unspecified star. MiAaHDL

Detalles del sistema: Master and use copy. Digital master created according to Benchmark for Faithful Digital
Reproductions of Monographs and Serials, Version 1. Digital Library Federation, December 2002. <http://purl.oclc.org/DLF/benchrepro0212> MiAaHDL

Nota de acción: digitized 2011 HathiTrust Digital Library committed to preserve pda MiAaHDL

Materia: Viscous flow Cavitation Navier-Stokes equations- Numerical solutions Cavitation Navier-Stokes
equations- Numerical solutions Viscous flow

Entidades: Langley Research Center

Enlace a formato físico adicional: Print version Numerical studies of incompressible viscous flow in a driven
cavity. Washington : Scientific and Technical Information Office, National Aeronautics and Space Administration ;
