

Texas : transportation profile

Bureau of Transportation Statistics,
[2002?]

[Electronic reference sources](#) [Statistics.](#)

Monografía

State Transportation Profiles (STP) are a series of reports highlighting major federal databases and other national sources related to each state's infrastructure, safety, freight movement and passenger travel, vehicles, economy and finance, and energy and the environment. Along with tables generated for each state, the reports describe databases and give information on access, formats, and contact points. Data is also available as Excel and CSV files
