

AJCC cancer staging atlas /

Greene, Frederick L.

Springer,
2006

Atlas Atlases Publication Type Electronic books Atlases. Scientific
atlases. Atlases.

Monografía

Offers a visual representation of the TNM components for 39 disease sites. This book includes illustrations that provide detailed anatomic depictions to visualize the progressive extent of malignant disease. It contains classifications of breast cancer and melanoma, and depictions of the primary tumor system based upon thickness and ulceration
