Monografía

The idea of an International Criminal Court has captured the international legal imagination for over a century. In 1998 it became a reality with the adoption of the Rome Statute. This book critically examines the fundamental legal and policy issues involved in the establishment and functioning of the Permanent International Criminal Court. Detailed consideration is given to the history of war crimes trials and their place in the system of international law, the legal and political significance of a permanent ICC, the legality and legitimacy of war crimes trials, the tensions and conflicts invo
