Berman, Erin

ALA Editions, an imprint of the American Library Association, 2019

Monografía

"The library is the great equalizer. Today, for access to information, for informed and engaged citizenship, technology must be part of the mix. Are you getting to the people who don't walk in your doors? It's time to take technology on the road. This design-thinking guide will develop staff's creative problem-solving skills. You will learn to design and prototype ideas safely, quickly, and with confidence"--
