

Can a scientist believe in miracles? [an MIT professor answers questions on God and science /

Hutchinson, I. H. (Ian H.) (1951-)

IVP Books, an imprint of InterVarsity Press, [2018]

Monografía

In this comprehensive volume, Hutchinson answers a full range of inquiries with sound scientific insights and measured Christian perspective. Without minimizing challenging questions, he explores how science and Christianity are mutually supportive and intellectually consistent. Both God and science truthfully address our curiosity and destiny. Find answers to your deepest questions
