Título: Representation of irregular stress time histories by equivalent uniform stress series in liquefaction analyses by H. Bolton Seed... [et al.]

Editorial: Berkeley University of California Press 1975

Descripción física: [3], 13, 9 h., [15] h. de gráf. 28 cm

Mención de serie: Earthquake Engineering Research Center Report Series 75-29

Materia: Estructuras (Construcción) Ingeniería sísmica

Autores: Seed, Bolton H., autor

Entidades: University of California (Berkeley) editor
