Cases for PACES provides a concise study aid to Part II of the MRCP examination; the Practical Assessment of Clinical Examination Skills or PACES. The new edition of this very popular study guide has been completely updated, and now includes scenarios for Station 5, introduced in October 2009. Featuring a 'case study' format that matches the style of the exam, it includes all the essential information - perfect for on-the-ward revision and study. Written by authors who remember their own PACES examination, their experience in learning and teaching PACES is condensed to provide exactly what you
