Monografía

Published by the American Geophysical Union as part of the Geophysical Monograph Series, Volume 176. With the search for extra-solar planets in full gear, it has become essential to gain a more detailed understanding of the evolution of the other earth-like planets in our own solar system. Space missions to Venus, including the Soviet Veneras, Pioneer Venus, and Magellan, provided a wealth of information about this planet's enigmatic surface and atmosphere, but left many fundamental questions about its origin and evolution unanswered. This book discusses how the study of Venus wi

Título: Exploring Venus as a terrestrial planet electronic resource] Larry W. Esposito, Ellen R. Stofan, Thomas E. Cravens, editors

Editorial: Washington, DC American Geophysical Union c2007

Descripción física: 1 online resource (234 p.)

Mención de serie: Geophysical monograph series 176

Nota general: Description based upon print version of record

Bibliografía: Includes bibliographical references

Contenido: Title Page; Contents; Preface; Exploring Venus: Major Scientific Issues and Directions; Geochemistry of Venus' Surface: Current Limitations as Future Opportunities; Surface Evolution of Venus; Tectonic and Thermal Evolution of Venus and the Role of Volatiles: Implications for Understanding the Terrestrial Planets; Atmospheric Composition, Chemistry, and Clouds; Venus Atmosphere Dynamics: A Continuing Enigma; Radiation in the Atmosphere of Venus; Venus Upper Atmosphere and Plasma Environment: Critical Issues for Future Exploration; Venus Express and Terrestrial Planet Climatology Experiencing Venus: Clues to the Origin, Evolution, and Chemistry of Terrestrial Planets via In-Situ Exploration of our Sister World Astrobiology and Venus Exploration; Technology Perspectives in the Future Exploration of Venus

Lengua: English

ISBN: 1-118-66622-4 1-118-67248-8

Materia: Planets- Exploration

Materia Geográfica: Venus (Planet)- Atmosphere Venus (Planet)- Exploration Venus (Planet)- Surface

Autores: Cravens, Thomas E. (1948-) Esposito, Larry Stofan, Ellen (1961-)
