Welcome to Yara, a tropical paradise frozen in time. Far Cry 6 immerses players into the adrenaline-filled world of a modern-day guerrilla revolution. Join the revolution and push back against the oppressive regime of dictator Antón Castillo and his teenage son Diego, brought to life by Hollywood stars Giancarlo Esposito (The Mandalorian, Breaking Bad) and Anthony Gonzalez (Coco). Playing as Dani Rojas, immerse yourself in the journey of a military dropout turned guerrilla revolutionary. To even the odds against Antón's military, you'll have to adopt the Resolver philosophy, employing an arsenal of unique and surprising new weapons, vehicles and animal companions to ignite a revolutionary movement that will burn the tyrannical regime to the ground
