Arrietty Clock and her parents Pod and Homily begin to find living with Homily's sister, Lupy rather a strain. With the returning cousins Ditchley and Ilrick getting up to their tricks the Clock family decide to move and are on their travels once again. We meet up with Arriety's friend Spiller again as he helps them on their adventures. Can they suvive the cruel tricks set by Ditchley and Ilrick, and with the help of their 'human bean' friend George manage to avoid being captured by that wicked giant Mrs Driver? The Clocks seem to have made a comfortable new home for themselves, but are soon in danger once again. When Pod decides to leave, Eggletina helps him lead his family to safety through the scullery drain. Spiller provides shelter for the family and helps Arietty search for a boat they can continue their journey in
