Television adaptations

Children's films

Material Projectable

Arrietty Clock and her parents Pod and Homily begin to find living with Homily's sister, Lupy rather a strain. With the returning cousins Ditchley and Ilrick getting up to their tricks the Clock family decide to move and are on their travels once again. We meet up with Arriety's friend Spiller again as he helps them on their adventures. Can they survive the cruel tricks set by Ditchley and Ilrick, and with the help of their 'human bean' friend George manage to avoid being captured by that wicked giant Mrs Driver? Spiller leads the Clock family to a new home, but Pod has misgivings. George and Miss Menzies realise that they both share a secret. The family must find a way to escape from imprisonment in an attic
