

Consideraciones teóricas a propósito de la relación del referéndum con el parlamentarismo* [

2014

text (article)

Analítica

This article analyzes the relationships between the referendum and the parliamentary system in the context of the Third French Republic. In spite of the absolute power conferred to the French Parliament, the author believes that the referendum and the parliamentary system are not mutually irreconcilable. Instead there is between both an immediate and inevitable relationship. Specifically he considers that the referendum is an essential institution to ensure the prevalence of the popular sovereignty
