

The 5-minute urology consult /

Gomella, Leonard G.,
editor

Handbook **Handbooks and manuals.** **Handbooks and manuals.** **Guides et manuels.**

Monografía

"This essential, easy-to-read text was designed to aid in the diagnosis and treatment of urologic problems quickly and efficiently. Engineered for crystal clarity, and chock-full of information and action items, the "5-Minute Consult" series includes facts and recommendations as informed by the most current data available, sourced from actual patient consultations and further reviewed by top academics and physicians. --- An invaluable resource for urologists, this book is perfect for the busy specialist or practitioner who deals with urologic conditions on a daily basis, as well as residents and fellows prepping for their certification exams."---from website publisher
