Fiction films.

Musical films.

Feature films.

Material Proyectable

Winner of the "Audience Award" at the Dallas International Film Festival, "This World Won't Break" is an intimate examination of the performer inside all of us that yearns to contribute with their gift. A broke-down middle aged Texas troubadour longs to be remembered like the southern bluesmen before him, but his failings and self-doubt forestall his musical dreams and blind him to the open road
