Material Proyectable

A concert series featuring evenings of eclectic entertainment that celebrate the best of Broadway and New York City's cultural landscape, in the tradition of The Players, the historic club where the series is presented. Curated and hosted by Emmy Award winning composer/performer Lance Horne, Live From Gramercy Park is dedicated to presenting celebrated music, theater and cabaret stars as well as introducing dynamic rising talent from around the world. Red lips on a window pane, roller skates and a feather tutu. Amy G is probably the sexiest clown to have ever rolled around. As a revolutionary cabaret comedian, she asks her audience to join her in turning her shame into entertainment. A classically trained vaudeville wonder that you'll be surprised you've never heard of, her unique style of physical, musical, stand-up and improv is a mash up of Carol Burnett, Liza Minelli, Buster Keaton, Julie Andrews and the Muppet Show
