

Household spending : who spends how much on what /

New Strategist Publications,
©2007

Statistics

Monografía

Examines how much American households spend on hundreds of products and services by demographics including age, income, household type, region of residence, race and Hispanic origin, and educational attainment. Products and services examined include apparel, entertainment, financial products and services, food, alcohol, gifts, health care, household furnishings, shelter and utilities, personal care, reading, education, tobacco, and transportation
