Nonfiction films

Material Proyectable

"An in-depth examination into the mind of an addict. How does an addict think? What causes their addiction? Why can't they stop? And how do they overcome? This film chronicles the life of an addict named Angela and her journey from a life of prostitution to a meaningful and productive life. It includes interviews of her family members, as well as the psychiatrists, pastors, and counselors who helped her."--Original container
