Monografía

Hot flashes. Vaginal atrophy. Social stigma. The comics in this unapologetic anthology prove that when it comes to menopause and its attendant symptoms, no one needs to sweat it alone. Featuring works by comics luminaries such as Lynda Barry, Joyce Farmer, Ellen Forney, and Carol Tyler, Menopause is the perfect antidote to the simplistic, cheap-joke approach that treats menopause as a cultural taboo. This anthology challenges stereotypes with perspectives from a range of life experiences, ages, gender identities, ethnicities, and health conditions. Other contributors include Maureen Burdock, Jennifer Camper, KC Councilor, MK Czerwic, Leslie Ewing, Ann M. Fox, Keet Geniza, Roberta Gregory, Teva Harrison, Rachael House, Leah Jones, Monica Lalande, Cathy Leamy, Ajuan Mance, Jessica Moran, Mimi Pond, Sharon Rosenzweig, Joyce Schachter, Susan Merrill Squier, Emily Steinberg, Nicola Streeten, A. K. Summers, Kimiko Tobimatsu, Shelley L. Wall, and Dana Walrath
