Monografía

The latest in the acclaimed Short Story Reinvented Series, 10 Journeys offers a unique array of poignant journeys both literal and psychological. Evocative and highly engaging, the stories transform everyday accounts into the most accessible yet powerful collection possible. Presenting a host of talented writers, each story compares and contrasts to encapsulate the individuality of short fiction. Sometimes dark and stimulating, other times charming and simply beautiful, these stories illustrate a portrait of unexpected wealth in 10 bite-size chunks. The 10 authors included in the collection are: Guy Mankowski, A.J. Kirby, Anne Devereux, Dave Foxall, Alistair Meldrum, Ari O'Connell, Paul Burman, Josie Henley-Einion, Cassandra Parkin, and Brendan Telford
