

Anatomie des trois ordres de la France, sur le sujet des estats

Political satire, French

Pamphlets-

Pamphlets

History

Satires-

Monografía

"This is a satire against the officers of justice and finance, with interesting references to festivities, dances, and ballets. The anonymous author also refers to physicians of all types and sects including physiognomists, abuses of Church, state and society. It contains many valuable details concerning French life and government"-- French Political Pamphlets Digital Collection, Brigham Young University
