Growing up with a sibling on the autistic spectrum can be difficult, and the needs of a child with autism often overwhelm a family, leaving neurotypical children feeling overshadowed. This book recognizes that brothers and sisters of autistic children need just as much love and attention as they do, allowing siblings to step into the limelight and share their experiences, both good and bad. This collection of personal stories has been written by siblings for siblings, and each individual tale comes directly from real-life experience, offering everything from empathy and constructive advice to
