

The book of ethics : expert guidance for professionals who treat addiction /

Geppert, Cynthia M. A. (1958-),
editor
Roberts, Laura Weiss (1960-),
editor

Instructional and educational works.

Monografía

The treatment of addiction as a biological, psychological, social, and spiritual disease requires a high standard of ethical knowledge and professional skill. This groundbreaking, reader-friendly guide to contemporary ethical issues informs and challenges health care professionals, students, and faculty with a thorough and compassionate examination of the dilemmas faced when providing care for individuals suffering from substance use problems or addiction
