Monografía

"Remember when life was all about killing your dinner, protecting your family, and finding a good cave for the winter? The 28 WEbook authors of 101 things every man should know how to do don't either. But when it comes to modern manly must-knows-- like growing a beard, bribing the cable guy, and looking good in a Speedo-- they've got you covered. For friends, loved ones, and colleagues, this new manthology is the one-stop reference for man-tastic advice in a mundane world."--Back cover
