Monografía

"On April 24th, 2004, hundreds of cartoonists across the globe took on a challenge: to try to write and draw a 24 page comic book, normally months of work, in 24 straight hours. The participants ranged from a seven year old kid to well-established comics professionals. The results ranged from interesting to amazing. 24 Hour Comics Day founder Nat Gertler has sifted through thousands of pages of comics to find these twenty-four interesting stories."--Page 4 of cover
