Monografía

Notorious bounty hunter Iron Eyes corners the deadly Brand brothers in the house with the red lamp above its door. As the outlaws enjoy themselves, Iron Eyes bursts in with guns blazing. But Matt Brand and his siblings are harder to kill than most wanted men: they fight like tigers, and Iron Eyes is lynched before they ride off. Yet even a rope cannot stop Iron Eyes. And he is determined to resume his deadly hunt, regardless of whoever dares stand in his way
