Carla Scofield has looked after her family since she was a teenager and there isn't anything she wouldn't do for those closest to her. Warm, friendly, and with the ability to make everyone around her laugh, she carries her burden proudly. As the years roll past, Carla sees life around her change dramatically. Wartime brings new challenges and a new job in a sewing factory. It also brings love, and Carla has a chance at real happiness - but not everyone is rooting for her. With Christmas ahead of her, and her sights set on love and the future, will she be too distracted to sense the danger before it's too late?
