Monografía

"A man doesn't live forever-- a legend does. From the moment he declared war on crime, the Batman knew his story would eventually come to an end. But for each soul he has touched, either as an ally or an enemy, a lover or a friend, an inspiration or an obsession, the life of the Dark Knight-- and its tragic conclusion-- is viewed differently. Now those closest to the Caped Crusader gather for his memorial service. Stories are told, feelings are revealed and tears are shed in a final retrospective of Batman's long and astonishing career. And for those of you who think you know the Dark Knight, prepare to find out you never did"--Dust jacket flap
