Monografía

Imagine a five-foot-two-inch-tall woman riding a Harley eight times across the continental United States. Now imagine she is black and is journeying across the country in the pre-Civil Rights era of the 1930s and '40s. That is the amazing true story of Bessie Stringfield, the woman known today as The Motorcycle Queen of Miami and the first black woman to be inducted into the American Motorcyclist Association Hall of Fame and the Harley Davidson Hall of Fame
