

Born to shop : in praise of the modern woman

Sevenoaks,
2006

Caricatures and cartoons.

Humor.

Monografía

You love to cook with wine, sometimes you even put it in the food. You do not suffer from stress, but you are a carrier. You understand the concepts of cooking and cleaning, but just not how they apply to you. You are born to shop, and this hilarious book salutes you and celebrates your lifestyle
