

My sprig of lilac : remembering Abraham Lincoln /

Coleman, Wim

Children's plays, American Historical drama Biographical drama
Drama. Juvenile works.

Monografía

Abraham Lincoln, the 16th President of the United States, preserved the union of the nation, but after the Civil War he struggled with Congress and the people over Reconstruction. Despite the war and political strife, Lincoln's life and legacy touched the hearts of millions. This play draws upon the writings of many of those people and from Lincoln himself. Includes special book features for further study and a special section for teachers and librarians
