Nota general: Published in conjunction with an exhibition held at Gallery Diet, Miami, from May 17-June 30, 2014 Includes price list and exhibition announcement "Gallery Diet--that bright outpost of "contemporary art" docked in Miami--is being overrun by pirates in an affectionately hostile take-over: a new name, a new direction, and a new flag will be raised for three months: NIGHT TIDE. For May, June and July Gallery Diet will be gone, washed away in the NIGHT TIDE as writer and curator Jarrett Earnest brings artworks, events, and texts together in a new sensibility--apocalyptic frivolity, Anthropocene Rococo. NIGHT TIDE is feeling--densely layered--lapping wave upon wave--an atmospheric film set with attentive objects by: Nancy Goldring, Elizabeth Jaeger, Prajakti Jayavant, Sam McKinniss, Leigha Mason, Nathalie Provosty, Gaby Collins-Fernandez, Nicole Wittenberg, Ann Liv Young and Christy Gast."--Press release
