Nota general: Two volumes in one

Contenido: Vol. 1. Contained herein are the true adventures of the valorous knight Don Quixote de la Mancha, invented by Miguel de Cervantes and published in 1605. Cervantes conceived of Don Quixote whilst he was imprisoned in Seville -- vol. 2. Contained herein is the second volume of the adventures of Don Quixote de la Mancha, completed by Miguel de Cervantes some ten years after the first. Between the release of Cervantes' two volumes , a spurious second volume was published. This version was written by an impostor who prefaced his book with a chain of insults aimed at Cervantes, chastising him for his age, crippled hand, poverty, criminal record, big nose, bad breath...
