

Careers of university graduates : views and experiences in comparative perspectives /

Teichler, Ulrich

Springer,
2007

Monografía

Graduates from institutions of Higher Education do not only hope to get employed and be better paid. Study can also have an impact on employment and work in many respects: facilitating transition to employment, opening up opportunities for demanding, interesting and responsible professional assignments, increasing remuneration and job security, providing opportunities for continuing learning and leading the way to international mobility and visibly international assignments. The book provides a series of detailed analyses of graduate employment and work in comparative perspective. It draws fro
