

Clinical handbook of couple therapy /

Gurman, Alan S.

Guilford Press,
2008

Handbook handbooks. Handbooks and manuals. Textbooks (form)
Handbooks and manuals. Guides et manuels.

Monografía

This authoritative handbook provides a definitive overview of the theory and practice of couple therapy. Noted contributors--many of whom developed the approaches they describe--combine clear conceptual exposition with thorough descriptions of therapeutic techniques. In addition to presenting major couple therapy models in step-by-step detail, the book describes effective applications for particular populations and problems. Chapters adhere closely to a uniform structure to facilitate study and comparison, enhancing the book's utility as a reference and text. See also *Clinical Casebook of Couple Therapy*, also edited by Alan S. Gurman, which presents in-depth illustrations of treatment
