Monografía

"Not all love is innocent. Some desires swallow you whole ... There's more than meets the eye to the twenty twisted pleasures collected here, with death and desire lying in wait behind every corner. One goth girl finds the man whose love can make her beautiful and whose body can bring her ecstasy-if she can stomach the price ... A zombie apocalypse destroys a man's family, but "til death do us part" is a vow his wife won't forget-even if she's now more on the undead side. A vampire hunter wakes up the morning after and has to discover what forbidden pleasures he indulged in the night before-he suspects they might involve the drop-dead gorgeous bloodsucker next door ... These and many more tales of sinister passion lie inside-if you aren't afraid of the dark ..."--
