

Dawn's early light /

Lewis, Laurie (1957-)

BookSurge, 2009

Historical fiction, American- Fiction. History. Historical fiction.

Monografía

October, 1813. While attentions turn to the defense of the Washington, D.C., mercenaries threaten the Winding Willows and White Oak plantations, forcing enemies to become allies, fighting side-by-side with freed slaves to defend their homes and families. Meanwhile, the Capital's defense now rests predominantly upon citizen soldiers and a most unlikely naval force--a rag-tag fleet called the Chesapeake flotilla--and the men who built it
