Monografía

Combining forces with the Oxford University Press, Dorling Kindersley brings the English language to life in this easy-to-use illustrated dictionary. This revised and updated edition includes over 187,000 clear and concise entries and definitions, 4,500 illustrations, as well as over 600 illustrated feature panels. This authoritative and accessible dictionary uses a unique combination of carefully verified definitions and clearly labeled images to explain even the most complex of topics. Oxford University Press has published dictionaries for more than 150 years and is today recognized as the world's leading authority on the authentication, definition, and usage of the English language. Oxford's World Reading Program tracks the growth of the English language worldwide, and is the most comprehensive survey of its kind, collecting on average more than 18,000 new words and phrases each month. -- Publisher description
