Monografía

Chuck Samson needs to heal. A former Navy chaplain who served with a Marine unit in Afghanistan, he's come home to take care of his adult, autistic brother, Stan. But the trauma of Chuck's capture and torture threatens to overtake him. Only the fifth graders he teaches give him reason to hope for the future. And then the unthinkable happens ... Chuck Samson finds himself on the run from an unseen and ruthless enemy. Needing to protect his only brother, and face down the dark fears in the depths of his soul, Chuck Samson must find a way to save them both ... or die trying
