Monografía

Hopi Indians maintain what is very likely the most vital native oral tradition in North America. This gathering of recollections, traditions, and narratives assembled by the distinguished folklorist, Harold Courlander, represents Hopi traditions with authority and authenticity, while at the same time presenting them in a readable form for an English-speaking audience. The subjects range from stories of the emergence from the underworlds, through accounts of trips to Washington, DC, right up to the "Hippie Invasion" of 1967. Courlander is true to the voices of the narrators he is working with, and includes the narrator's name, the place of recording, and the date recorded after each piece. ISBN 0-8263-0612-8 : \$15.95
