

Integrated planning for the Air Force senior leader workforce : background and methods /

Robbert, Albert A. (1944-)

RAND Corporation, 2005

Monografía

RAND Project Air Force and the Air Force Senior Leader Management Office undertook a study to help improve the development of Air Force senior leaders. This report provides background information to put the methods developed in the study into context and describes how those methods were developed and used to address the need for an improved leadership development program
