

On common ground : the power of professional learning communities /

DuFour, Richard (1947-)

Eaker, Robert E.

DuFour, Rebecca Burnette

Solution Tree Press, c2005

Monografía

This anthology presents the recommendations of education leaders, and each chapter contributes to a sound conceptual framework and offers specific strategies for developing PLCs. These leaders have found common ground in expressing their belief in the power of PLCs although clear differences emerge regarding their perspectives on the most effective strategy for making PLCs the norm in North America
